

Canadian *Drosophila* Microarray Centre

<http://www.flyarrays.com>

QuantArray vs GenePix array layout:

QuantArray format:

meta-row, meta-column, row, column.
eg, 6, 3, 17, 6

GenePix format:

grid (block), row, column
eg, 23, 7, 17

All numbers start from left to right, and from top to bottom.
